

The St. Louis Room

Central Library, Third Floor

314-539-0371

The department specializes in reference materials relating to St. Louis history.

Items of interest include:

Current and historic maps of St. Louis and the surrounding metropolitan area.

St. Louis City government publications

St. Louis City ordinances

St. Louis City Revised Code (Compendium of city laws)

Local History newspaper clipping files & vertical files

Local artist newspaper clipping files

Local architect newspaper clipping files

House numbering certificates from the St. Louis City Building Department

St. Louis high school yearbooks

Haines Criss-Cross directories.

The department is open Monday-Saturday 10-6. All materials may be photocopied or scanned within the department.

NOTE: local history periodicals and circulating items are in the Special Collections department.

Old St. Louis newspapers and City Directories are available on microfilm in the Genealogy department.
