

# Social Story for Sensory Storytime at Carpenter Library

Today I am going to Storytime at Carpenter Library.

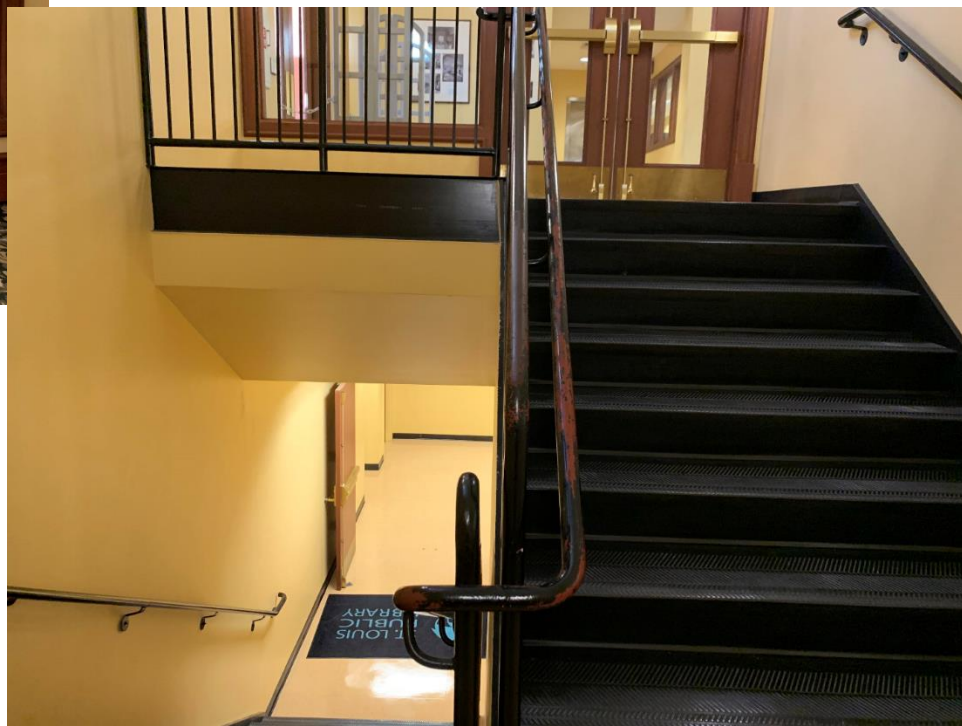

This is the Children's Library Entrance.

In the Children's Library, I can read books, play games, color, or play on the AWE computers before or after Storytime.

Just before Storytime begins, I go downstairs to the Storytelling Area.

Miss Kellie welcomes me and reads and tells stories to us.

When I get thirsty there is a water fountain right outside the door.  
If I need to use the restroom there is one across from the water fountain for me and my caregivers to use.

At the end of Storytime, I stay to play with toys and the other children.

After Storytime is over, we all go home. I am not sad because I know I will be back for the next Storytime.
