

TO: All Contractors  
FROM: Rita Kirkland  
DATE: April 12, 2021  
SUBJECT: Proposal Addendum No. 1  
BID# 21-002182  
DATE ISSUED: April 1, 2021  
THE PROJECT: St Louis Public Library – **PTZ**

**AND LIVESTREAMING CAPABLE CAMERA SYSTEM**

**1. INTENT**

This addendum is issued to provide a modification/addition to proposal plans and/or specifications

**2. MODIFICATION / ADDITIONS**

-The RFP mentions leveraging Crestron equipment. Are you using a preferred software for managing the current cameras & would you like to stay on that specific software? **No, the cameras are not on any specific software aside from being controlled by the Crestron system.**

-Are you open to seeing pricing on different software that can control these cameras? **Yes, but we are hoping to have an all-in-one system that operates preferably on a single system.**

-Is your current cameras IP or analog based? **They were installed in 2012. We believe they are analog.**

-What type of recording & retention is needed, 15, 30 days? **We'd prefer to be able to save our recordings for at least 3.**

I have read and understand the preceding addendum and said changes are reflected in the Request for Bid. The vendor signed addendum should be included with your response packet.
