SUBJECT: Proposal Addendum No. 1  
BID#: 22-990400  
DATE ISSUED: December 23, 2021  
THE PROJECT: Smart Terminal

## INTENT

This addendum is issued to provide a modification/addition to proposal plans and/or specifications.

## MODIFICATION / ADDITIONS

1. In the scope of work specification it mentions, "Should work with our current Microsoft Windows 10 Circulation machines"

Are these Windows 10 Circulation Machines self checkout stations or staff managed machines?

**Staff managed**

2. Could you please also clarify the use of these Smart Terminals?

**Used for Payments of fines, fees, and purchases**

3. My guess is that they will be used for payment of fines and fees within the ILS. Is that correct?

**Yes**

### Mission Statement

The St. Louis Public Library will provide learning resources and information services that support and improve individual, family, and

4. Final question, Is the library interested in a Point of Sale solution that includes credit card terminals? This point of Sale will integrate with the ILS and it will allow for the purchase of anything that the library sells with cash, credit card, money on account, check, or similar payment methods.

**Not at this time**

I have read and understand the preceeding addendum and said changes are reflected in my proposal. The vendor signed addendum should be included with your response packet.
