FOUNDATION

2021

IMPACT REPORT

Support of St. Louis Public Library Foundation (SLPLF) from businesses, foundations and individuals enables SLPLF to fund a wide range of programs and projects that serve the people of the City of St. Louis.

St. Louis Public Library programs and projects have a direct impact on the lives of those who live and work in our city. Through them, residents have access to free internet, digital resources, early childhood literacy programming and outreach services.

Working together, SLPF and St. Louis Public Library keep people connected to each other and the world around them.

OUT OF SCHOOL PROGRAMMING (AGES 3-18)

"I LOVE the SLPL Camps. There is such a good variety of camps being offered, fun for all ages. My son is interested in science, he likes to draw, and he likes video games, and we were able to find a camp for all of those things. The instructors have been nice and friendly. To be honest, he spends a lot of time on a device anyway, so I'm glad he's learning new things. And one of the best things of all, I love that the camps are FREE." - SLPL Camper Parent

BY THE NUMBERS

Youth Services Programming

"My son was able to have an experience that was both personal (as he has 3 siblings), as well as one that was a wholly classroom-like experience with his peers. He learned, moved, and created crafts that he still wears, daily." - SLPL Camper Parent
