INTENT

This addendum is issued to provide a modification/addition to bid plans and/or specifications.

MODIFICATION / ADDITIONS

1. Do you have a requirement for brand for racking or panel management?

Panduit, Tripp-lite, and Leviton products are ideal, however. Any industry standard product at or above the quality levels of the aforementioned would work.

I have read and understand the preceding addendum and said changes are reflected in my proposal. The vendor signed addendum should be included with your response packet.
