Support from businesses, foundations and individuals enables St. Louis Public Library Foundation to fund a wide range of programs and projects that serve the people of the City of St. Louis.

St. Louis Public Library (SLPL) programs and projects have a direct impact on the lives of those who live and work in our city. Through them, residents have access to free internet, digital resources, early childhood literacy programming and outreach services supporting thousands of St. Louis families.

Together, St. Louis Public Library and St. Louis Public Library Foundation meets the needs of our community and keeps them connected to each other and the world around them.

SUMMER @ SLPL SCHOOL IS OUT. CAMP IS IN.

Funding from St. Louis Public Library Foundation helped provide free summer camps to area youth. Children ages 3-18 enjoyed a wide variety of free camp sessions, experiencing everything from bike building and wilderness medicine, to computer animation and coding!

Summer @ SLPL programs help counteract "summer slide" - the partial learning loss students experience during the summer months when schools are out of session. Summer camp participants are better prepared to move forward with their academic studies when they return to school in the fall.

SUMMER READING CHALLENGE

St. Louis Public Library Foundation funded summer reading programs including the Summer Challenge, which encouraged children and their families to read during the summer months.

STORYTIME ALL THE TIME

In 2023, St. Louis Public Library provided creative and fun ways to introduce early childhood literacy to the Library's youngest readers and their families.

STORYBOOK WALKS

St. Louis Public Library works with community partners to place Storybook Walks in city parks throughout St. Louis. Ruth Porter Mall Park in partnership with Great Rivers Greenway is home to an installation in which St. Louis Public Library installs a new story each month.

STORYTIMES

- Baby Bookworms
- Sensory Storytime
- Bilingual Storytime

STATS BEYOND THE STACKS: EARLY CHILDHOOD OUTREACH TEAM

In 2023, St. Louis Public Library's Early Childhood Outreach Team (ECOT) brought programming and materials to childcare centers throughout the city. ECOT served young children through storytimes, providing training for educators and by bringing literacy and learning materials to expand classroom libraries.

EARLY CHILDHOOD LITERACY

In 2023, thousands of children and their families participated in early childhood literacy programs, including Read It Together and 1,000 Books Before Kindergarten.

SUPPORTING FAMILIES

To support women and families with young children, St. Louis Public Library established a two-part program in partnership with the St. Louis Area Diaper Bank. This valued community partnership is one way St. Louis Public Library supports its mission to improve individual, family and community life in our city.

DIAPERS

Families with young children can pick up 50 free diapers per month for each child at one of three Library locations - Central, Carpenter and Julia Davis Libraries.

PERIOD SUPPLIES

Through the Alliance for Period Supplies, an initiative of the St. Louis Area Diaper Bank, St. Louis Public Library provides free period supply kits at all 16 Library locations.

Purchasing period supplies is not always a possibility for some in our community, and lack of access to health products can impact the daily lives of many women. In fact, 1 in 3 low-income women miss work, school and other outings due to lack of period supplies.

WHERE DID YOU GO TO HIGH SCHOOL?

The Exhibit

"PROM Magazine: Where Did You Go to High School," highlighted St. Louis Public Library's archive of the publication. It featured firsthand accounts from Prom reporters, an opportunity to look through the digitized collection and examples of prom outfits and pop music throughout the decades. Published from 1947-1973, PROM Magazine was produced "exclusively for the youth of Greater St. Louis" and represented all high schools - public and private - in the area.
