SUBJECT: RFP Addendum No. 1
RFP#: 25-007636
RFP DATE ISSUED: March 11, 2025
THE PROJECT: Schlafly AV Upgrade

INTENT

This addendum is issued to provide responses to questions for RFP 25-991100 Schlafly AV Upgrade.

QUESTIONS AND ANSWERS

- 1. Would there be a time I can get a site visit of this location? I would like to walk through and get some dimensions?**

Please contact Jenny Song to schedule site visit 314-880-8174

- 2. Do you have a published set of construction documents showing room dimensions, ceiling height and ceiling type that can be provided? This needed to determine the amount and type of speakers for adequate audio coverage.**

We do not have a published set of construction documents showing room dimensions, ceiling height and ceiling type. Room measurements can be provided during the walkthrough.

- 3. Do you a published list of preferred AV equipment manufacturers that we should be referencing, specifically for LED video wall?**

Here are the brands we used in a previous installation. We'd prefer to keep it consistent to keep it easy for staff to use and for maintenance but are open to comparable options.

- LG Electronics Full HD All-in-one LED Signage display
- Araknis Networks router and switch
- Control4 entertainment and automation controller and touchscreen
- Definitive Technology subwoofer
- Biamp compact column loudspeaker
- Sense wireless mics and receiver
- Denon AV receiver
- Sony 4k Blu-ray player

I have read and understand the preceding addendum and said changes are reflected in my proposal. The vendor signed addendum should be included with your response packet.
