**Mission Statement**

The St. Louis  
Public Library  
will provide learning  
resources and  
information services  
that support and  
improve individual,  
family, and  
community life.

**AMENDMENT TO CENTRAL AV UPGRADES  
SCOPE OF WORK**

**Amendment to AV System Requirements for Central Library's 2nd Fl Training Room:**

**Central Library**

*1301 Olive Street*

*St. Louis MO 63103*

*2nd Floor Training Room 2.6*

Originally requested "Lockable AV rack to house equipment" however would like to provide alternative placement via the existing media cabinet below the current projector screen. Proposers can offer both solutions utilizing a separate AV rack and/or existing media cabinet, ensuring equipment will fit properly.

**Measurements of existing media cabinet are as follows:**

1. **Depth** from shelf edge to back of cabinet is **21.25"**
2. **Height** of interior space is **23.5"** with adjustable shelving
3. **Width** of center compartment is **46"** and width of right compartment is **22"**

**Notes:**

1. Compartment on the center has cutout at bottom (see pic below)
2. Compartment on the right side has built in vents along the side exterior wall as well as a standard power outlet (see pic below)
