

ST. LOUIS PUBLIC LIBRARY FOUNDATION

IMPACT REPORT

2025

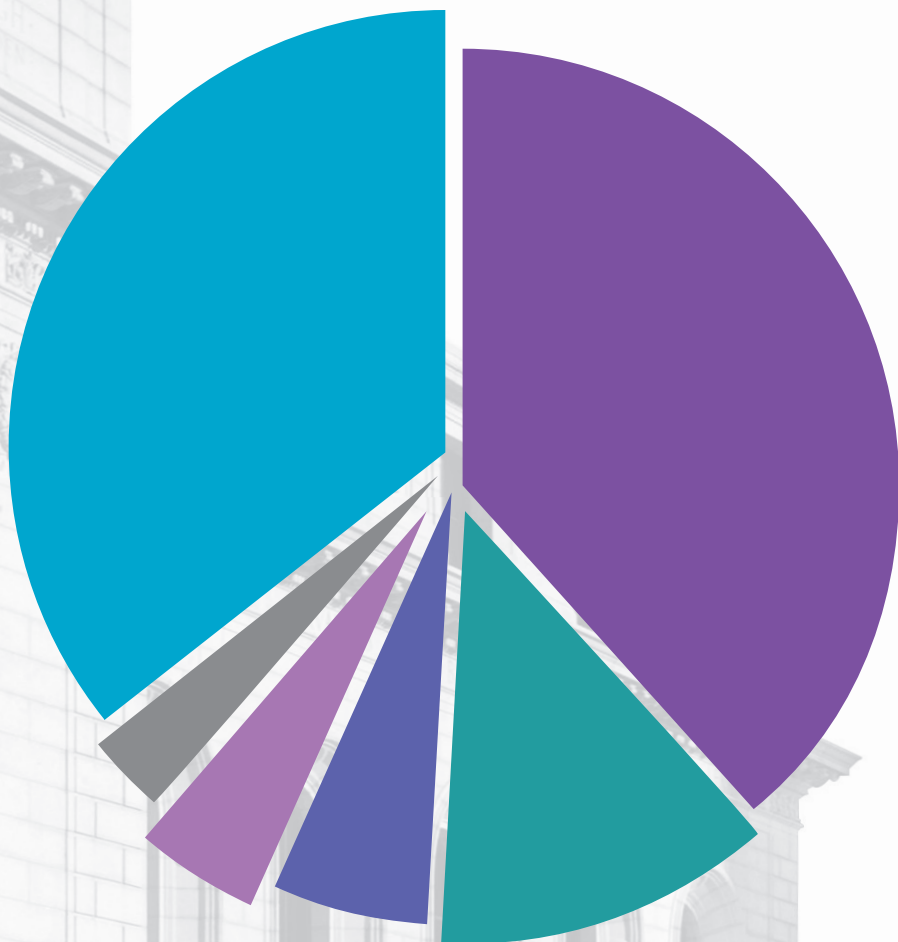

Support of St. Louis Public Library Foundation (SLPLF) from businesses, foundations, and individuals enables SLPLF to fund a wide range of programs and projects that serve the people of the City of St. Louis.

St. Louis Public Library (SLPL) programs and projects have a direct impact on the lives of those who live and work in our city. Through them, residents have access to free internet, digital resources, early childhood literacy programming, and outreach services supporting thousands of St. Louis families. Together, St. Louis Public Library meets the needs of our community and keeps them connected to each other and the world around them.

STL Summer Adventure is a community summer reading and exploration program powered by St. Louis Public Library and St. Louis County Library. Children ages Birth-17 read and complete activities with their library and other community partners. Community partners include; Forest Park Forever, Missouri Botanical Garden, St. Louis Science Center, Magic House, St. Louis Art Museum, St. Louis History Museum and others.

SLPL CAMPS

Funding from St. Louis Public Library Foundation helped provide free summer camp experiences to area youth. Children ages 3-18 enjoyed a wide variety of free camp sessions, experiencing everything from computer building and dancing, to music and engineering!

Summer @ SLPL programs help counteract "summer slide" - the partial learning loss students experience during the summer months when schools are out of session. Summer camp participants are better prepared to move forward with their academic studies when they return to school in the fall.

My toddler asked me probably ten times today if we are going to Wiggle camp. He had so much fun!"

– Caregiver, Wiggles and Giggles Camp at Central Library

I thought it was an amazing camp! It was fun and engaging! I really enjoyed it!"

– Acting Movement and Voice Camp @ Central Library

I loved it and I think I got more social!"

– Camper, Opera Explorers Camp at Schlafly Library

THE COMMUNITY COMES TOGETHER

In May of 2025, St. Louis City was hit by a tornado that caused significant damage to two of SLPL's locations. In the months following, the Library and the community came together to support each other. SLPL held tornado relief events throughout the summer with partner organizations; FEMA, Legal Services of Eastern Missouri, Operation Food Search, St. Louis Area Diaper Bank, and Behavioral Health Response.

In 2025, Spire provided volunteers and equipment to help build a garden at Carondelet Library in South City. This new garden enhances the neighborhood's beauty and has become an integral part of Library programming.
